The Product

Obzest makes premium candied citrus peels that are sulfite-free, clean-label, and 100% waste-free throughout the production process. Born from Adam's observation that commercial juicers discard mountains of nutrient-dense citrus peels every day, Obzest transforms what others throw away into a "Sophisticated Sour" confection. Slightly tangy, perfectly sweet, and undeniably premium.

Why Obzest?

1. **Clean Label.** Sulfite-free, no artificial colors or preservatives.
2. **"Sophisticated Sour" Wave**. Sour candy is one of the fastest-growing segments in confectionery, and Obzest captures the premium segment with a grown-up, sensory experience that existing brands don't offer.
3. **100% Waste-Free Production.** Peels become candy, and juice is captured for premium syrups. Obzest prioritizes sustainability, which resonates with today's consumers.
4. **Validated Demand at D.C. Markets:** Proven demand at local farmers' markets across the DMV with strong repeat customer behavior and consistently positive feedback.
5. **Gifting and Specialty Retail Ready:** Premium packaging makes Obzest a natural fit for specialty grocers, boutique food halls, or corporate gifting.
